Translations

Sebben, crudele

Sebben crudele mi fai languir
Sempre fedele ti voglio amar
Con la lunghezza del mio server
La tua fierezza sapro stancar

Although you, cruel, torment me
I always want to faithfully love you.
With the length of my servitude,
All your arrogance, I shall be able to exaust.

Ave Verum Corpus

Ave verum corpus
Natum de Maria Virgine
Vere passum
Immolatum in cruce pro homine
Cujus latus performatum
Unda fluxit sanguine
Esto nobis prqegustatum
Im mortis examine

Hail, true Body,
Born of the Virgin Mary
Who has truly suffered,
Was sacrificed on the cross for mortals,
Whose side was pierced,
Whence flowed water and blood:
Be for us a foretaste of heaven
During our final examining.

Der Tanz

Es redet und träumet die Jugend so viel,
Von Tanzen, Galoppen, Gelagen,
Auf einmal erreicht sie ein trűgliches Ziel,
Da hőrt man sie seufzen und klagen.

Bald schmerzet der Hals,
und bald schmerzet die Brust,
Ver schwunden ist alle die himmlische Lust.
"Nur dismal noch kehr' mir Gesundheit zurűck!"
so flehet vom Himmel der hoffende Blick!

The young talk and dream so much
Of dancing, riding and feasting;
At once they reach a treacherous goal,
Then they sigh and complain.

Soon the throat hurts, and soon the chest hurts –
All the heavenly joy has disappeared.
"If only my health would return again!
Thus implores the hopeful glance from heaven!"
